Word Problems Scoot

Hang the cards in different places. Give each student a recording sheet.

Students will start at their own desks (or an assigned spot) and answer the word problem on their task card, writing the answer in the corresponding box on the recording sheet.

They will continue to answer word problems and move around the room until they are done.

When your students are finished, they can practice 10 word problems at

www.mathwordproblems.com for free. They can play a math game afterward!
